

OLPS LENTEN VIGIL '09

Holy Darkness, Blessed Night

4 - 5 April 2009

Dear friends,

Greetings in the name of our Lord Jesus Christ! Lent is upon us and the time has come for us to renew and re-energize our spiritual life. You are warmly welcome to attend this year's OLPS Lenten Vigil 2009!

Titled "**Holy Darkness, Blessed Night**", we will come together as ONE big parish to reflect on the ENTIRE meaning of our faith. We will see how we are initially like 'dry bones' revived by none other than Jesus, the giver of life, who said in John 4:14, "*whoever drinks the water that I will give him will never become thirsty again. The water that I will give him will become a well of water for him, springing up to eternal life.*"

It will be an awesome time with God. We will reflect and experience the events of our salvation from the Passover to the Last Supper and from Gethsemane to Golgotha. Our vigil will end with the Palm Sunday Mass at the break of dawn. Of course, a hearty breakfast will be served thereafter.

Make this Lent a meaningful season of renewal and growth, spend the night staying awake with the Lord! The programme for our Vigil is meant for peoples of all ages, from 13 – 103! Bring your loved ones, your children, your parents, your friends, and let's pray and worship the Lord together!
